A Voluntary Aided Primary School in the Diocese of Manchester

Headteacher: Jacqui Potts

Deputy Headteacher: Jackie Brokenbrow

January 2016

Dear Parents / Carers

I am pleased to inform you that you can now access an internet-based learning tool at home called 'Espresso Education'. This is a valuable resource that we also use in school. You will find that your child will be familiar with the site and some the activities it has to offer. Below are suggestions of activities that you could access at home with your child that will support their learning in school.

1. From the home page click on FOUNDATION – LITERACY, then scroll down and click on EVERYDAY SOUNDS. From this page you can access video clips and activities that will encourage your child to tune into and recognise familiar sounds.
2. From the home page click on FOUNDATION – MATHS, then click on NUMBERS 0-20. From here click on ACTIVITIES. Here you can play games which involve ordering, counting and recognising numbers.
3. From the home page click on FOUNDATION – WORLD, then scroll down and click on DINOSAURS. Click on ACTIVITIES and play the 'dinosaur snap' and 'counting dinosaurs 0-10' games. Also click on BOOKS to find out dinosaur facts from a talking book.
4. From the home page click on FOUNDATION – NEWS and then WEATHER. From here watch the video clips 'winter' and 'heavy snow'.

To use Espresso go to www.discoveryeducation.co.uk on a PC or a tablet and log into Espresso by entering:

Pupil username: student22247

Pupil password: middle

If you have any questions or difficulties using this tool please don't hesitate to ask.
